18 February to 24 October 2010

The association of Swedish Music Festivals (SMF) is devoted to marketing, information, exchange of experiences and other issues of mutual interest to the member festivals.

General introduction

SWEDISH MUSIC FESTIVALS

is a member based network for music festivals in Sweden. We are an umbrella organization with many years of experience and a collective force for Swedish music festivals. All of Sweden is represented - from Haparanda to Falsterbo - and we cover music from opera to jazz.

Let your festival adventure start with us!
